

UNITED STATES DISTRICT COURT
Northern District of California
San Francisco Division

ICALL, INC.,
Plaintiff,

No. C 12-2406 EMC

v.
TRIBAIR, INC., et al.
Defendants.

**ORDER RE: ATTENDANCE AT
MEDIATION**

Date: not yet scheduled
Evaluator: Jo Saxe Levy

IT IS HEREBY ORDERED that the request to excuse defendant Eric Reiher from personal attendance at the not yet scheduled mediation session before Jo Saxe Levy is GRANTED. The representative is excused from appearing in person at the session but shall appear by videoconference for the duration of the mediation unless or until excused by the mediator in accordance with ADR L.R. 6-10(f).

The court also DENIES, without prejudice, plaintiff's request to excuse its principal from appearing in person at the mediation. Requests to be excused from attending in person a mediation must comply with ADR L.R. 6-10(d), and at the very least, include a reason why requiring an individual to appear would cause him or her 'extraordinary or otherwise unjustifiable hardship.' A single line inserted into another attendance request with no justification is not a sufficient request.

IT IS SO ORDERED.
